SIR,

I am directed to invite your kind reference to the letter No. 39/30-31 dated 5th November 1930, addressed to you by the Secretary of the Sangha in the matter of the classification of the people belonging to the Community in the ensuing Census as "KURUHINA SETTI" instead of as "Bilimagga" Needful instructions do not seem to have been issued for the adoption of the change suggested, as, in the forms of Census already printed, the name "Bilimagga" continues to exist. I am, therefore, to request you again to issue necessary instructions for adopting the new classification, as prayed for, in lieu of the old classification.

2. The favour of acknowledgment of the reference now made is requested.

To

CHIEF SECRETARY,
24 NOV. 1930

R. Ranga Rao, Esq., B.A., B.L.,
Chief Secretary to Government(In-charge),
Bangalore.

SIR,

With reference to your official memorandum No.G.5465/Census 25-30-2 dated the 20th November 1930 forwarding a petition from the Secretary, Kuruhina Setti Sangha in Bangalore City regarding the opening of a separate heading for that community in the ensuing Census for opinion, I have the honour to state that in the tables for the 1921 Census the Koramas and Korachas are shown as separate castes under Animists. In the Government Order dated the 16th February 1928 received with your official memorandum, Kuruhina Setti seems to have been permitted to be used by both Koramas and Korachas. Kuruhina Setti seems to be the name of a class of people in the Madras Presidency who so far as can be seen are neither Koramas nor Korachas. It seems undesirable to adopt this name in our Census tables for either of these communities as it might give rise to the impression that the population shown under the new name is of the same class as the Kurhina Setties of the Madras Presidency. I would therefore not recommend the use of this name in our Census tables. There is, however, no objection to people desirous of returning themselves as Kuruhina Setties doing so at the time of enumeration. I believe these people are of the Korama community -- rather than of the Koracha community. I shall make further enquiries and decide to which group they should be allocated at the time of classification.

The petition received with your official memorandum is herewith returned.

I have the honour to be,
Sir,
Your most obedient servant,

M. Venkatesaiyengar

Census Superintendent.
